Testing User Stories

As a consumer, I want to browse a catalogue of recipes so that I can decide on a suitable meal for a particular occasion

1. Click the 'BROWSE' link in the navbar or on the home page
2. Use the pagination links to browse the collection of recipes
3. Click on the 'SEARCH' accordion in the 'BROWSE' page and search for a recipe by its name
4. Click on the 'FILTER' accordion to filter the list of recipes based on particular categories
5. Click on a recipe's picture or name in the relevant card to load the full details for that recipe

As a chef, I want to store my own recipes on a website so that I can share them with others

1. Click the 'LOGIN' link in the navbar or on the home page
2. In the 'LOGIN' page, enter your user credentials to login to your account
   a. If you haven't created an account, click the 'REGISTER' tab in the 'LOGIN' page to create an account
3. Once logged in, click the 'ADD RECIPE' link in the navbar or on the home page
4. Enter the details of your recipe and add a picture (optional)
5. Click the 'ADD' button to submit the recipe
6. A confirmation flash message will appear on the screen, confirming the submission
7. The recipe will then be added to your list and can be viewed in your 'PROFILE' page
   a. The recipe will also appear in the 'BROWSE' page and will be visible to all users or visitors

As a chef, I want to be able to update any recipes that I can see any mistakes with, so that the consumers see the correct details for a particular recipe

1. Click the 'LOGIN' link in the navbar or on the home page
2. In the 'LOGIN' page, enter your user credentials to login to your account
   a. If you haven't created an account, click the 'REGISTER' tab in the 'LOGIN' page to create an account
3. Click the 'BROWSE' link in the navbar or on the home page
4. Click on a recipe's picture or name in the relevant card to load the full details for that recipe
5. Click the 'EDIT' button to load the 'EDIT RECIPE' form
6. Amend any of the recipe's details
7. Click the 'EDIT' button to submit your changes
8. A confirmation flash message will appear on the screen, confirming the submission

As a blogger, I want to be able to rate recipes that I try out so that I can let others know how good/bad they are

1. Click the 'LOGIN' link in the navbar or on the home page
2. In the 'LOGIN' page, enter your user credentials to login to your account
   a. If you haven't created an account, click the 'REGISTER' tab in the 'LOGIN' page to create an account
3. Click the 'BROWSE' link in the navbar or on the home page
4. Click on a recipe's picture or name in the relevant card to load the full details for that recipe
5. Click the 'RATE IT' button to load the 'RATE IT' modal
6. Choose a rating from the modal's dropdown list
7. Click the modal's 'RATE IT' button to submit your rating

8. A confirmation flash message will appear on the screen, confirming the submission
9. The page will refresh, and the new average rating will be displayed

As a consumer, I want to be able to search for a particular recipe by its name, so that I can access that particular recipe easily and quickly

1. Click the 'BROWSE' link in the navbar or on the home page
2. Click on the 'SEARCH' accordion in the 'BROWSE' page and search for a recipe by its name
3. The results will load
4. Click on the relevant recipe's picture or name in the relevant card to load the full details for that recipe

As a consumer, I want to be able to filter recipes based on various categories and see a quick summary of them before I decide on which one to choose, so that I don't have to waste time going through the ingredients list for each one

1. Click the 'BROWSE' link in the navbar or on the home page
2. Click on the 'FILTER' accordion to filter the list of recipes based on particular categories
3. Choose the required categories and press the 'FILTER' button
4. The results will load
5. Click on the desired recipe's picture or name in the relevant card to load the full details for that recipe

As a consumer, I want to see a summary list of recipes based on the most liked, so that I can quickly see the most popular ones

1. Click the 'BROWSE' link in the navbar or on the home page
2. All recipes will be displayed in order of most liked
